### Enhancements

Version	Comment
23.3.2	<p><b>Esker integration with TIMS (API)</b></p> <p>NOTE: This is a client requested customisation/integration. If you are interested in integrating with Esker, please contact Trapeze Support for a quote.</p> <p>Allows the export of Receiving's to a Third Party Application (Esker) and then the importing of Invoices from the Third Party Application.</p>
23.3.2	<p><b>Social Commitment Reporting</b></p> <p>Phase 1</p> <p>New tab added to the Creditor Master File "Social Procurement". This tab comes with a pre-loaded list of Social Commitment fields which the user has an option of providing a response. Additional options can be added by the client, this can be found Creditors &gt; Setup &gt; Social Procurement</p>

## Payroll

### System Fixes

Version	Comment
23.3.2	<p><b>STP – FBT Adjustments</b></p> <p>STP Event will update with FBT Transactions without requiring a EFT to be processed.</p>
23.3.2	<p><b>Timesheets (Roster &gt; Do Roster) – Time vs Decimal Display</b></p> <p>Daily and Weekly Timesheet views updated so when the Show As is changed from Time to Decimal, the hours column will update to reflect the selected option.</p>
23.3.2	<p><b>Diversity tab to Employee Form – Human Resources only</b></p> <p>In the employee form in HR a new tab for Employee Diversity. Two columns will be in this table Description and Response, if the Flag is ticked to "Yes" this will display in the Diversity Reporting.</p> <p>To create the Diversity in Setup (HR) – Diversity Data</p> <p>To display the tab in HR- Employee - Control Information (Payroll), tick Use Employee HR diversity tab</p>
