
Payroll

System Fixes

- An issue with audit notes not being created if a second bank account is created at the same times as the first bank account has been fixed

Enhancements

- Gender classifications have been improved with the addition of Non-Binary, Other, and Undeclared.

General Ledgers

Enhancements

- Added new read only tables to enhance general ledger reporting. New tables are period_1_all through to period_12_all, opening_balance, last_year and period_all
