Release Notes

TIMS 25.2.7 Patch Highlights

System Tweaks and Fixes

Roster

- Roster Monthly rotations fixed.
- Fixed issue with Duty Group lines when there are gaps between employees.

Workshop

- Fixed an issue where a Workorder won't post due to a negative stock error.

Payroll

- Fixed an issue with capping fortnightly hours.
- Fixed rounding on the Leave Loading Penalty.

General Ledger

- Fixed an issue where the Actual v Budget and Budget by Period reports were not populating the Budget fields.
